Anyone wishing to offer written comments about the Voorhees Township Police Department's ability to comply with the standards for accreditation is requested to email the Accreditation Program Director at [hdelgado@njsacop.org](mailto:hdelgado@njsacop.org) or write the New Jersey State Association of Chiefs of Police, Law Enforcement Accreditation Commission at 751 Route 73 North, Suite 12 Marlton, N.J. 08053.

The Voorhees Township Police Department must comply with 105 standards in order to achieve accredited status. Chief Louis Bordi indicated, *"Accreditation results in greater accountability within the agency, reduced risk and liability exposure, stronger defense against civil lawsuits, increased community advocacy, and more confidence in the agency's ability to operate efficiently and respond to community needs."*

The Accreditation Program Director for the New Jersey State Association of Chiefs of Police is Mr. Harry J. Delgado, Ed.S. *"The assessment team is composed of law enforcement practitioners from similar New Jersey law enforcement agencies. The assessors will review written materials, interview agency members, and visit offices and other places where compliance with the standards can be observed. Once the Commission's assessors complete their review of the agency, they will report to the full Commission, which will then decide if the agency is to be granted accredited status"*, Harry J. Delgado stated.

Accreditation is valid for a three-year period during which time the agency must submit annual reports attesting to their continued compliance with those standards under which it was initially accredited.
