Voorhees, New Jersey: Congratulations to Voorhees Police & Fire Chief Louis Bordi for receiving a community impact award from the Voorhees Business Association. Chief Bordi was recognized for his hard work and implementation of outreach programs within the community. During Chief Bordi's tenure, progressive community policing programs have been incorporated into the department's annual agenda. Some of the most popular programs consist of national night out, coffee with a cop, LEAD drug awareness courses, the junior police academy, the citizens police academy, and the Car Show. The priority that Chief Bordi has placed on community policing has fostered and solidified a transparent and open relationship with the residents and business owners of Voorhees.

The Voorhees Business Association (VBA) is a community-based partnership of business, civic and educational segments within Voorhees Township. They have over 100 members and this year marks their 30th anniversary. The VBA meets on a monthly basis and assists with supporting many community initiatives such as the Voorhees Police Holiday Fund, Voorhees Special Olympics and scholarships to students from Eastern Regional High School.
